

Canton Public Schools  
In Partnership with CT Association for the Gifted (CAG)

Present

# minds in motion

April 26, 2014

12:30-4:00 PM

At Canton Middle School

Registration: \$20 CAG Members/\$25 Non-members

*Minds in Motion* is CAG's signature student enrichment program, featuring hands-on, fast-paced, high-interest workshops for high-ability, motivated, or curious children in Kindergarten through 8th Grade. It is also a fantastic learning experience for grownups! While your children get to explore areas of interest that are rarely part of the everyday classroom, you will have the opportunity to attend a keynote address and your own workshops, free of charge. And *Minds in Motion* is for teachers, too, as a selection of the workshops provide educators with free CEU's on a variety of topics related to educating high-ability children.

With a Special Key-Note Address by Dr. Joe Renzulli, Director of the National Research Center on the Gifted and Talented!

Please feel free to learn more about Minds in Motion at [www.ctgifted.org](http://www.ctgifted.org) and select "News and Events".
