I would like to offer a heartfelt “Thank You” to all the citizens who attended the Town of Canton’s Memorial Day Parade and Ceremonies honoring our Veterans. A special thank you to Iwo Jima veteran, Bill Gimignani for serving as our Grand Marshal; Keith August for serving as our Master of Ceremonies; Leslee Hill for delivering the Memorial Day address; Reverend Linda Spiers for her soothing words and all those who provided rides for our Veterans.

Thank you to all those who placed American flags on the graves of over 700 Veterans in Canton’s eight cemeteries. Thank you to Michael Davidson of Davidson Chevrolet for providing the car for our Grand Marshal and Tom Hinman of Riverside Nursery and Garden Center for donating the memorial wreath for the services. Once again, it was an honor to have Canton School students read the addresses and the Canton High School Band provide the musical support.

Finally, a thank you to our Town staff, Police Officers and Fire/EMS volunteers for all their help in staging the wonderful event.

With much appreciation,

Richard J. Barlow  
First Selectman
