

TOWN OF CANTON, CONNECTICUT

2015 Transfer Station Policy

**Transfer Station Regular Hours:
Tuesday-Saturday 7am-3:30pm**

**The Transfer Station is located on Ramp Road,
adjacent to Powder Mill Road and Route 202.**

Residents may now purchase annual permit stickers for use of the transfer station in calendar year 2015 from the Town Clerk's office during regular business hours (Monday, Tuesday, and Thursday 8:15 am to 4:30 pm; Wednesday 8:15 am to 6:45 pm; and Friday 8:15 am to 12 noon). *Special hours will be held for the convenience of residents to purchase stickers on Saturday, January 10, 2015, from 8 a.m. to 2 p.m.* You may also receive the annual permit sticker if you send a check payable to the "Town of Canton" with a self-addressed, stamped envelope. A copy of your vehicle registration MUST also be included. The permit sticker fee is \$150.00 for residents. For an additional \$1.00 you may purchase a duplicate sticker for use on another vehicle in your household with proof of registration. The permit sticker is valid during calendar year 2015. We request that the Transfer Station permit be placed in the lower left hand side of the front windshield.

Once a resident is permitted, a fee is charged for the disposal of bulky waste based on the size of the vehicle in accordance with the schedule on the following page. In addition to the Town Clerk's office, this fee can now be paid directly at the Transfer Station with either a personal check or a debit/credit card. Cash will not be accepted at the Transfer Station.

Only trash generated at residences or from locations owned by the Town may be brought to and deposited at the Transfer Station. Businesses are not permitted to use the Transfer Station and must make arrangements to have their trash disposed of at the CRRA Connecticut Solid Waste Project in Hartford by collectors licensed by the Town. Should a business or institution choose to have a permanent dumpster to store their trash on site, they should contact the Zoning Enforcement Officer to review the proposed location for conformance with zoning regulations.

Canton residents will be able to purchase at the same rate as bulky waste disposal (based on the size of the vehicle) a special permit to be provided to a contractor hired to dispose of such material. The resident must certify that the material came from their residence and the permit will grant Transfer Station entry to the contractor on behalf of the homeowner. Only the material that was designated by the homeowner will be able to be disposed of by the contractor.

The Transfer Station is located on Ramp Road, adjacent to Powder Mill Road and Route 202. It is open Tuesday through Saturday between 7:00 a.m. and 3:30 p.m. The town accepts household refuse, single stream recycling, propane tanks, scrap metal, white metal, furniture and other bulky waste, waste motor oil, anti-freeze, leaves and brush. No permit sticker or token is required to dispense of electronics, batteries or e-Waste. The "Swap Shack" allows residents to "recycle" unwanted items. However, there is no scavenging of disposed material other than the Swap Shack. There is also a collection bin for donations to the Salvation Army.

In lieu of purchasing the annual permit sticker, a resident who intends only occasional use of the transfer station may pay for a single day entry at a cost of \$10.00 per day. Additional tokens may be required depending on what you have to dispose. See the "BULKY WASTE" chart below for additional fees. These fees may be paid for at the Transfer Station.

New residents (within the past month) or those residents who document that they have suspended private collection services may purchase the annual permit sticker on a pro rata basis as follows:

Between January 1 and March 31	\$150.00
Between April 1 and June 30	\$112.50
Between July 1 and September 30	\$75.00
Between October 1 and December 31	\$37.50

USER FEES

There will be an annual charge of \$150 to residents for use of the Transfer Station.
