

CONNECTICUT OIL RECYCLING SERVICES

Town of Canton
4 Market Street, P.O. Box 168
Collinsville, CT 06022
Attention: Heather Maroon

February 7, 2014

Dear Heather,

Connecticut Oil Recycling Services is pleased to submit for your review and approval this proposal for the following waste management services. Please use this pricing in reference to the waste services we discussed for both the Canton Public Works Garage and Canton Transfer Station:

Waste Description: Used Oil (per Waste Profile Sheet)
Cost for Processing: No Charge

Waste Description: Waste Antifreeze
Cost for Processing: No Charge

Waste Description: Used Oil Filters
Cost for Processing: No Charge

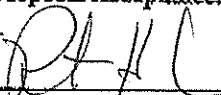

The above pricing structure is based upon the facility appropriate Waste Profile Sheet and below waste specifications. Should the parameters of this waste change, you may be subject to a price increase. CORS to supply Town of Canton oil filter drums at no additional cost. This quotation (pricing structure) is valid for 2 years and can be renewed upon both parties agreement. The town may terminate this agreement upon 60 days written notice.

Conditions: Waste to be documented on the appropriate manifest or bill of lading.
To accept this quotation, please sign below and return (submit P.O. if needed).
CORS to have exclusive rights to all oil removed at above location.

Waste Specifications: Used Oil: Must have >5,000 Btu's/lb, Less than 1,000 ppm total halogen content
Less than 1% solids, Less than 3% water, No metals, No PCB's
All waste must be non-RCRA Regulated and non-DOT Hazardous.

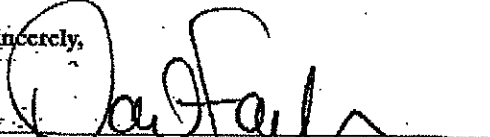

Disposal Options: Fuel Blending/Antifreeze Remanufacturing/Steel Recycling

Proposal Acceptance: Above proposal terms & conditions herein agreed to:
