TOWN OF CANTON, CONNECTICUT

Transfer Station Hours:

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Closed	Closed	7am-3pm	Closed	7am-3pm (Sept 16-April 14) 11am-7pm (April 15-Sept 15)	Closed	7am-3pm

The Transfer Station is also closed on Holidays.
Check www.townofcantonct.org/holiday-closings for the complete list.

The Transfer Station is located on Ramp Road, adjacent to Powder Mill Road and Route 202.

Residents may now purchase annual permit stickers for use of the Transfer Station in calendar year 2023 by mail (or drop box) only. Qualifying Town of Canton Volunteer Fire & EMS personnel pursuant to the Town of Canton Board of Selectman resolution on 10/26/2022 will receive a free annual permit. Reminder notices have been mailed to all current permit holders. You may also receive the annual permit by filling out the attached form and mailing it with a check payable to the “Town of Canton” with a self-addressed, stamped envelope. A copy of your vehicle registration MUST also be included. The permit sticker fee is \$150.00 for residents. For an additional \$5.00 you may purchase a duplicate sticker for use on another vehicle in your household with proof of registration. The permit sticker is valid during calendar year 2023. We request that the Transfer Station permit be placed in the lower left-hand side of the front windshield.

Once a resident is permitted, a fee is charged for the disposal of bulky waste based on the size of the vehicle in accordance with the schedule on the following page. This fee can now be paid directly at the Transfer Station with either a personal check or a debit/credit card. Cash will not be accepted at the Transfer Station.

Only trash generated at residences or from locations owned by the Town may be brought to and deposited at the Transfer Station. Businesses are not permitted to use the Transfer Station and must make arrangements to have their trash disposed of by collectors licensed by the Town. Should a business or institution choose to have a permanent dumpster to store their trash on site, they should contact the Zoning Enforcement Officer to review the proposed location for conformance with zoning regulations.

Canton residents will be able to purchase at the same rate as bulky waste disposal (based on the size of the vehicle) a special permit to be provided to a contractor hired to dispose of such material. The resident must certify that the material came from their residence and the permit will grant Transfer Station entry to the contractor on behalf of the homeowner. Only the material that was designated by the homeowner will be able to be disposed of by the contractor.

The Transfer Station is located on Ramp Road, adjacent to Powder Mill Road and Route 202. It is open Tuesday and Saturday between 7:00 a.m. and 3:00 p.m., Thursday 7:00 a.m. and 3:00 p.m. (4/15 to 9/15 11:00 a.m. to 7:00 p.m.). The town accepts household refuse, single stream recycling, propane tanks, scrap metal, white metal, furniture and other bulky waste, waste motor oil, anti-freeze, paint, leaves and brush. No permit sticker or token is required to dispense of paint, electronics, batteries or e-Waste and clean mattresses and box springs. Once a resident is permitted, the “Swap Shack” allows a resident to “recycle” unwanted items. However, there is no scavenging of disposed material other than the Swap Shack. There is also a collection bin for donations to the Salvation Army.

In lieu of purchasing the annual permit sticker, a resident who intends only occasional use of the transfer station may pay for a single day entry at a cost of \$10.00 per day. Additional tokens may be required depending on what you have to dispose. See the “BULKY WASTE” chart on page 2 for additional fees. These fees may be paid for at the Transfer Station (credit/debit card and personal check only).

New residents (within the past month) or those residents who document that they have suspended private collection services may purchase the annual permit sticker on a pro rata basis as follows:

Between January 1 and June 30 \$150.00
 Between July 1 and December 31 \$75.00

USER FEES

There will be an annual charge of \$150 to residents for use of the Transfer Station.
