The Contractor also
agrees to pay any and all attorney's fees incurred by the Town, its agents, or its employees in enforcing any of the Contractor's defense or indemnification obligations. In any and all claims against the Town or any of its agents or employees by any employee of the Contractor, or anyone directly or indirectly employed by the Contractor, or anyone for whose acts the Contractor is liable, the indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by the Contractor under Workers' Compensation Acts, disability benefit acts, or other employee benefits acts.

12. **Compliance with Laws** - The Contractor shall comply with all federal, state and local laws and regulations governing this Contract, including without limitation health, safety and environmental requirements.

13. **Insurance** - The Contractor shall carry and keep in force during the term of this Contract insurance as more specifically described in Exhibit A, with a company or companies authorized to do business in Connecticut.

14. **No Assignment** - The Contractor shall not subcontract, transfer or assign its obligations under this Contract or any portion thereof without prior written consent of the Town.

15. **Execution** - This Contract may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall become binding when one or more counterparts have been signed by each of the parties hereto and delivered to each of the parties.

IN WITNESS THEREOF, the parties have executed this contract this day of September, 2019.

2. If more than one Town Based Resident Bidder has submitted a bid not more than 10% higher than the lowest responsible bid, the lowest responsible bidder shall be that one of the Town Based Resident Bidders which submitted the lowest bid.

3. Otherwise, the award will go to the lowest responsible bidder who would qualify if there were no Town Based Resident Bidder.

Any local vendor meeting the requirements of a Town Based Resident Bidder, as defined below, responding to the solicitation shall be required to submit a signed Local Bidder Affidavit Form with the bid submittal. Failure to submit an affidavit form, may at the option of the Town, result in disqualification as a local vendor and ineligibility for contract award.

The term “Town Based Resident Bidder” shall mean any business with a principal place of business located within the Town of Canton. A business shall not be considered to be a Town Based Resident Bidder unless evidence to establish that such business has a bona fide principal place of business in Canton is included with each bid submitted by the business. Such evidence may include documentation of ownership, or a long-term lease of the real estate from which the principal place of business is operated or payment of property taxes on the personal property of the business to be used in the performance of the bid.

The Local Bidder Preference process shall not apply under the following circumstances:
1) Professional services contracts which are awarded on subjective criteria in addition to cost.

2) Contracts using state, federal or other funds that have regulations disallowing such practice.

3) If the qualified Town Based Resident Bidder is not current in the payment of all local taxes.

4) Bids made through regional organizations or state agencies such as state contracts, CRCOG or CIRMA, when the product or services offered have already been selected through a competitive process.

5) Bids received through a reverse auction process.
